

Welcome to Chipstead Valley

This is our school,
today we will be
teaching to you
about nature here,
such as the flora,
fauna and
landscapes!

AT NIGHT WHEN IT IS DARK, ANIMALS SUCH AS BADGERS, FOXES AND HEDGEHOGS COME OUT AS THEY ARE NOCTURNAL WHICH MEANS THEY SLEEP IN THE DAY.

IN OUR POND, WEEDS, LILY PADS AND FLOWERS GROW AROUND IT, WE ALSO KEEP TADPOLES WHICH TURN INTO FROGS. SMALL LEAVES FALL FROM OUR OLD TREES AND LAND IN OUR POND, FISH SOMETIMES USE THEM TO HIDE FROM PEOPLE AS THEY ARE SCARED OF US.

Recreational and Cultural Activities

In CVPS we have many talents such as music. Our classmates love to play instruments. These are violin, drums, flute, guitar and piano. To show these talents every year in the summer we have an amazing music concert that we perform on our outdoor stage to our parents.

Also we love our sports and we have quite a few sports teams such as football and athletics. We all love winter when it snows because if there is enough snow we get to go outside and have snowball fights. Though usually in winter we are not allowed to go onto the feild because it ruins the grass.

we see lots of cool animals such as chickens, foxes and rabbits!

Our Cultural Activities!

In our school we are very lucky to have such big spaces. Every week on a Friday, we all go outside and do a fantastic run around our school! It is very exciting because we run past loads of amazing trees and plants. It is also a cultural activity for all of us because we love to run and to do exercise together. In the summer, we have an awesome race on the big field, which we call the Chipstead K (it's over 1km race)!

Conserving Nature In Our City

If we stop polluting our local areas, birds will be healthy. We must also stop wasting paper so we do not have to keep cutting down trees, because they are the birds homes. When playing in parks it can be very fascinating watching them but you must make sure you do not touch them. This is because they might not like it also they could get annoyed and hurt you!

Access!

To get to our school you can go by car, bus, train or you can walk. You can access this area by entering the car park (if you are a teacher) or the front two entrances which everyone can use. In our weekly run, we have ramps everywhere so everyone can do it including people with disabilities.

We have ramps so everyone feels included.
