

Additional Writing Task to be completed daily throughout the school's closure.

We would also like you to start keeping a diary all about what you are doing each day, how you are feeling etc. This could be done at the back of your distance learning book that you took home. Please also remember to include your non-negotiables (Non - negotiables - neat handwriting, full stops, capital letters, finger spaces, year 1, 2, 3 & 4 spellings accurately spelt within work) when writing your diary.
