

Dear Year 1 Children and Parents,

We hope under the circumstances, you have managed to enjoy some of your time off together. This week, we would like you to continue with the Australia grid where there was a large amount of writing and designing activities... do not worry, we are not expecting that all to be done yet! We have really enjoyed seeing the pictures of your work so keep them coming!

As teachers, we wanted to take the time to reassure you that we are not expecting your children to complete learning every single moment of the day for the foreseeable future. Please use this time to spend some safe quality time with your family.

Take care,

The Year One Team x
