

How many points have you scored this week? Remember you DO NOT need to do all of the activities on here, choose at least one from each row. Keep your teacher updated, we would love to see your Discovery Work!

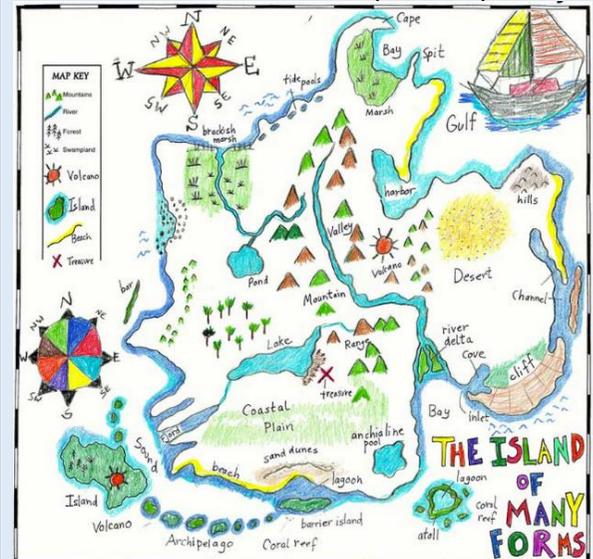

Tasks

3 points

Write a letter to an elderly person. This could be a neighbour or someone in a care or residential home. Write about your day, your favourite things and activities you like to do. You may even get some letters back. Let us know if you do!

Find a poem you like e.g. Cholate Cake by Michael Rosen. Can you put some actions with it and perform it. Think about the words in the poem, what they mean and match your actions with them. If you can video your performance and send it in, we would love to see it!

Draw a treasure map of a deserted island and make a 'key' to show features of the map e.g. river, buildings, woods. Can you use compass points to write the directions of your map?

2 points

Continue to use Scratch.
<https://scratch.mit.edu/ideas>

Go outside and collect some natural resources to create a picture. Take a picture as we would love to see them!

Plant a flower seed of your choice and watch it grow. Write down or draw your observations. Use the sheet on the school website to help you.

Do some Yoga following the guided videos on YouTube using Cosmic Kids Yoga.
<https://www.youtube.com/user/CosmicKidsYoga>

Make a poster on healthy eating and taking care of our bodies. What should we do and how?

Sign up to the website: <https://www.gonoodle.com> and take part in some of the active tasks.

Don't forget you can practice your music and SingUp song by going on YUMU via Charanga Music School online. <https://charanga.com/site/log-in/>
We would love to see some videos or pictures of you practicing our class songs and whole school song.
