

## Discovery

1. To write a letter to a friend in Viking Runes.

2. Create a poster that explains what Vikings ate and how they cooked/prepared their food.

3. Research an artist and create a mood board to show some of their work that you have produced.

4. You can use the following website to look at different scratch projects and work on as many as you like.

<https://projects.raspberrypi.org/en/codeclub/scratch-module-1>

5. Write a story about the digestive system similar to the Magic School Bus episode.
