

Dear Parents,

I hope that the first week of being at home has gone well! It has been great to see some of your home learning activities! If you haven't yet shared anything with me, please can you send me something! I'd love to be able to keep up the Learning Journals and have evidence of some of the activities that your child has completed.

The activities I have added this week show the EYFS focus area i.e. **Mark Making Activity: Physical Development**. I thought it may be useful to see how some of the activities are broken down.

I am aware that I also sent a long list of activities out last week. Please continue to dip in and out of those, as well as trying some of the new activities that are uploaded. I also suggest that you look at the activities that have been uploaded on to the Reception pages, as there are additional activities that may be of interest.

I am missing all of our boys in Treehouse! It's strange to be at home (and school) and not to see them... I hope that we are able to be together soon!

In the meantime, please keep in touch and let me know how everyone is getting on! I am here to support you all. I will reply to your messages as soon as I can.

Keep up the good work and, above all, stay safe and healthy!

Rachel Fisher
