

Maths - Week Commencing 30/3/20

Activity 2

LO: To use knowledge of telling the time to solve problems.

Recap

What does the time say on the following clocks?

O'clock

- 1) Some children have had a go at telling the time. Can you check if they are correct or incorrect and explain how you know.

The time is 3 o'clock.

Amir

When it is 11 o'clock both hands point at 11

Alex

Tommy

The time is 6 past 1

2) Read the instructions and draw the hands on the clock.
Then, work out what the time is.

- The minute hand is pointing at the 6.
- The hour hand is half way between 10 and 11.

The time is _____

- The minute hand is pointing at the 12.
- The hour hand is also pointing to the 12.

The time is _____

Challenge

Mr Hollis says the time is half past 2 in the morning. Miss Newman disagrees and says it is half past 2 in the afternoon. Who is correct?
