EASTER HOLIDAYS

We are all so proud of the hard work we have received so far. WELL DONE to you all! Below are some English activities for you to complete over the next 2 weeks. You can choose which tasks you wish to complete and these can be done in any order. You may want to complete some tasks over 2 days.

Task 1 – Complete the comprehension below and then write a letter to a nurse or doctor to thank them for all their hard work.

What Does a Nurse Do?

There are many people who help us in our lives, such as teachers, firefighters, police officers, vets, postal workers, builders, electricians, plumbers, bus drivers and medical experts like doctors, nurses, paramedics, and other important people who help save our lives.

Great nurses...

- are caring;
- work well in a team and on their own;
- listen to people;
- are good at talking to people;
- make quick choices;
- can cope with being very busy;
- are helpful;
- are kind;
- are hard working;
- help doctors;
- multitask;
- have patience.

get better by using care plans, doing tests and giving medicine to help people to become healthy again. People usually see nurses in doctors' surgeries by making appointments, but nurses also work in hospital wards and emergency departments. Nurses are very busy and do lots of different jobs like give jabs, change bandages, check on the patients, clean cuts, take blood pressure, write notes and get people ready for operations. Nurses in hospitals can care for the same patients a lot - they talk with them and their families and so they get to know the patients very well.

Where can nurses work?

They can work in surgeries, hospitals, clinics, navy, army and air force bases, prisons, homes, schools and other places, in our country and abroad.

What do nurses wear and need?

Nurses usually wear a uniform. This could be scrubs, a white dress or a blue coat and dark trousers. Nurses need needles, gloves, bandages, swabs, tweezers, scissors, notepads, pens, pencils, clipboards, thermometers, medicines and lots of other medical equpiment.

How do you become a nurse?

To become a nurse, you have to have GCSE qualifications from secondary school and then go to college or university to complete a nurse training programme.

What Does a Nurse Do? **Questions**

Answer the questions below in full sentences.

1. Name five skills great nurses have.

2. How are nurses like doctors?

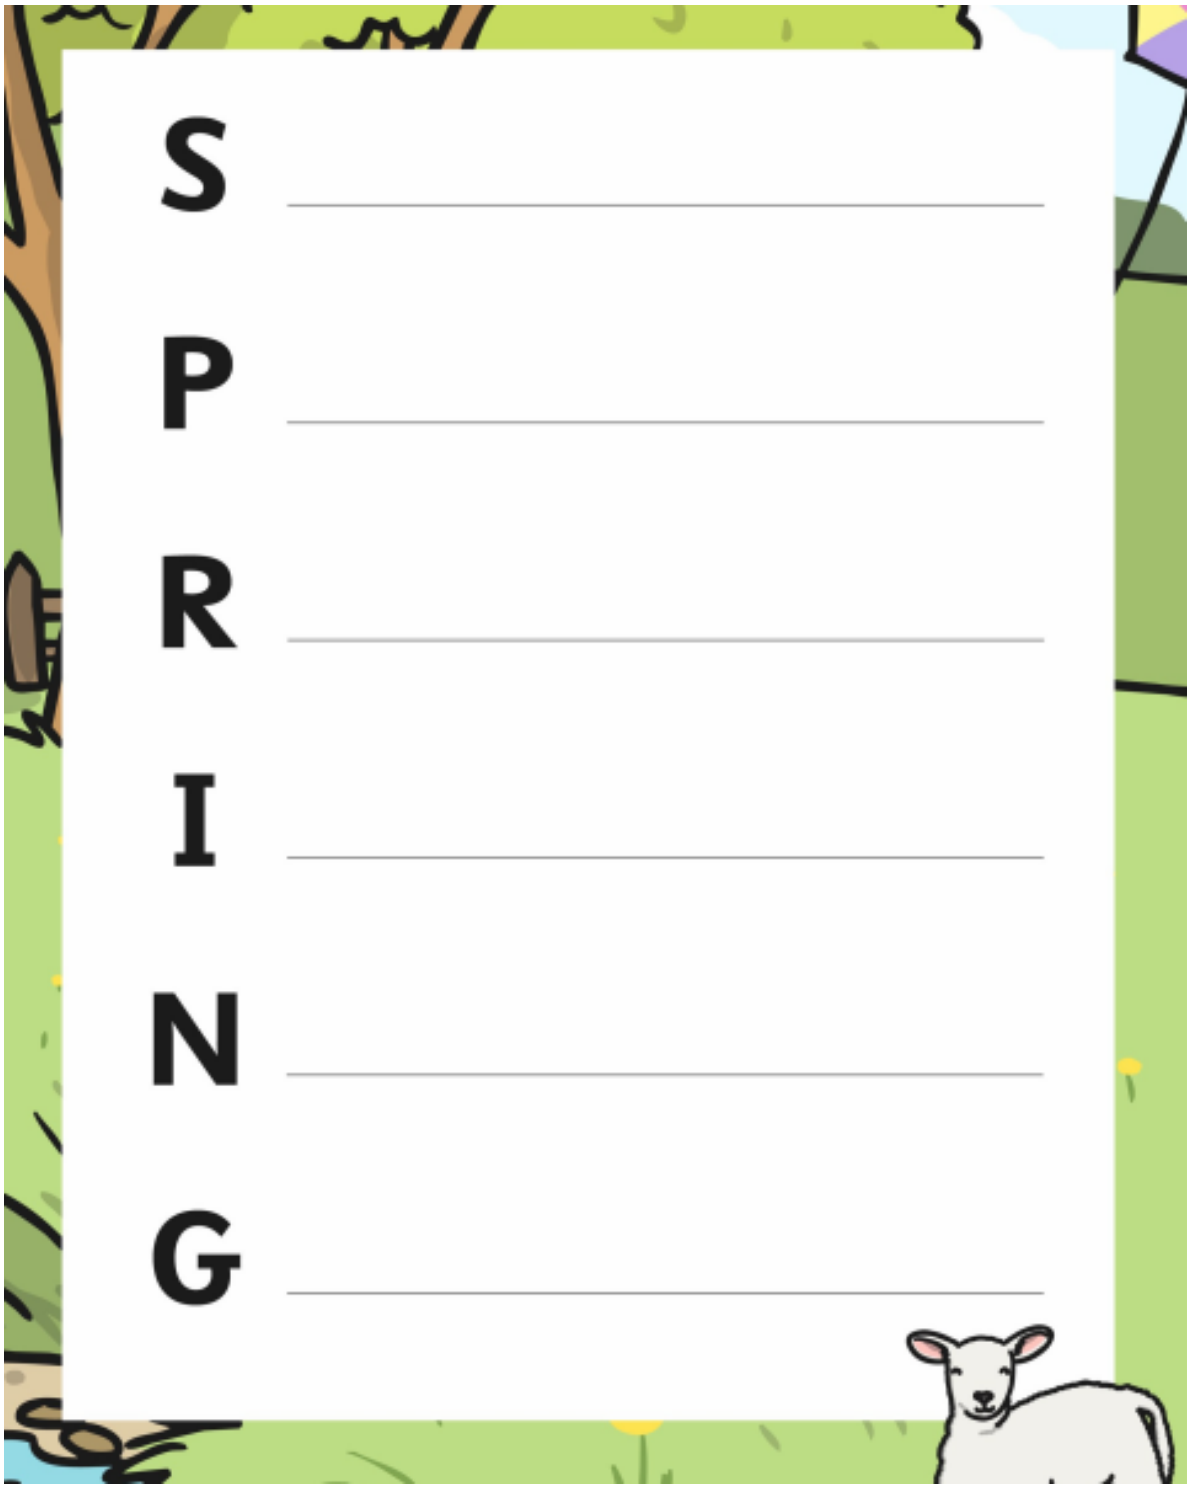
3. What types of people do nurses help?

4. How do nurses help their patients get better?

5. How do people get to see nurses in doctors' surgeries?

6. Name five things nurses do.

Task 2 – Here are some poetry activities. You can use a template below or write your own poem in your distance learning book.



E _____

A _____

S _____

T _____

E _____

R _____

Hello to Spring!

Spring is here, spring is here!

Leaves and buds everywhere.

Caterpillars crawl along,

The birds sing a cheery song.

The smell of grass in the air,

Children playing without a care.

Bees flying from flower to flower,

A rainbow appears during the fresh shower!

The coldness of winter disappears,

The warmth of spring reappears.

Goodbye to the dark and hello to the sun

Spring is a time to play and have fun!

Draw a picture which shows your vision of this poem.

Explore Spring through your senses.

Complete the sentences below and create your very own Spring sensory poem.

Spring

Spring looks like _____

_____

Spring sounds like _____

_____

Spring smells like _____

_____

Spring tastes like _____

_____

Spring feels like _____

_____

Task 3 – Use the information below to create a spring quiz (10 questions). This can be presented as a PowerPoint or written in your distance learning books.

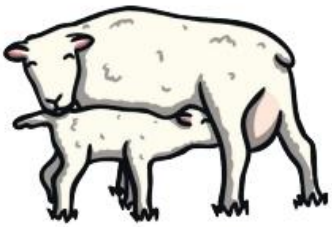
All About Spring

Spring is one of the four seasons. It is the season that comes after winter. Spring starts in March and ends in June. Spring is the season when we change our clocks forward one hour. We often have a mixture of sunny and rainy days.

What happens to the animals?

Animals such as hedgehogs, grass snakes, lizards, adders, frogs and toads come out of hibernation on the first warm spring days. You could see frogspawn, which looks like jelly.

Some animals move about a lot more in spring, such as squirrels. You can see squirrels running about, looking for food and climbing trees.



There are also lots of migrant birds that come back to the UK in the spring. You can see swifts, cuckoos and nightingales.

What happens to the plants and insects?

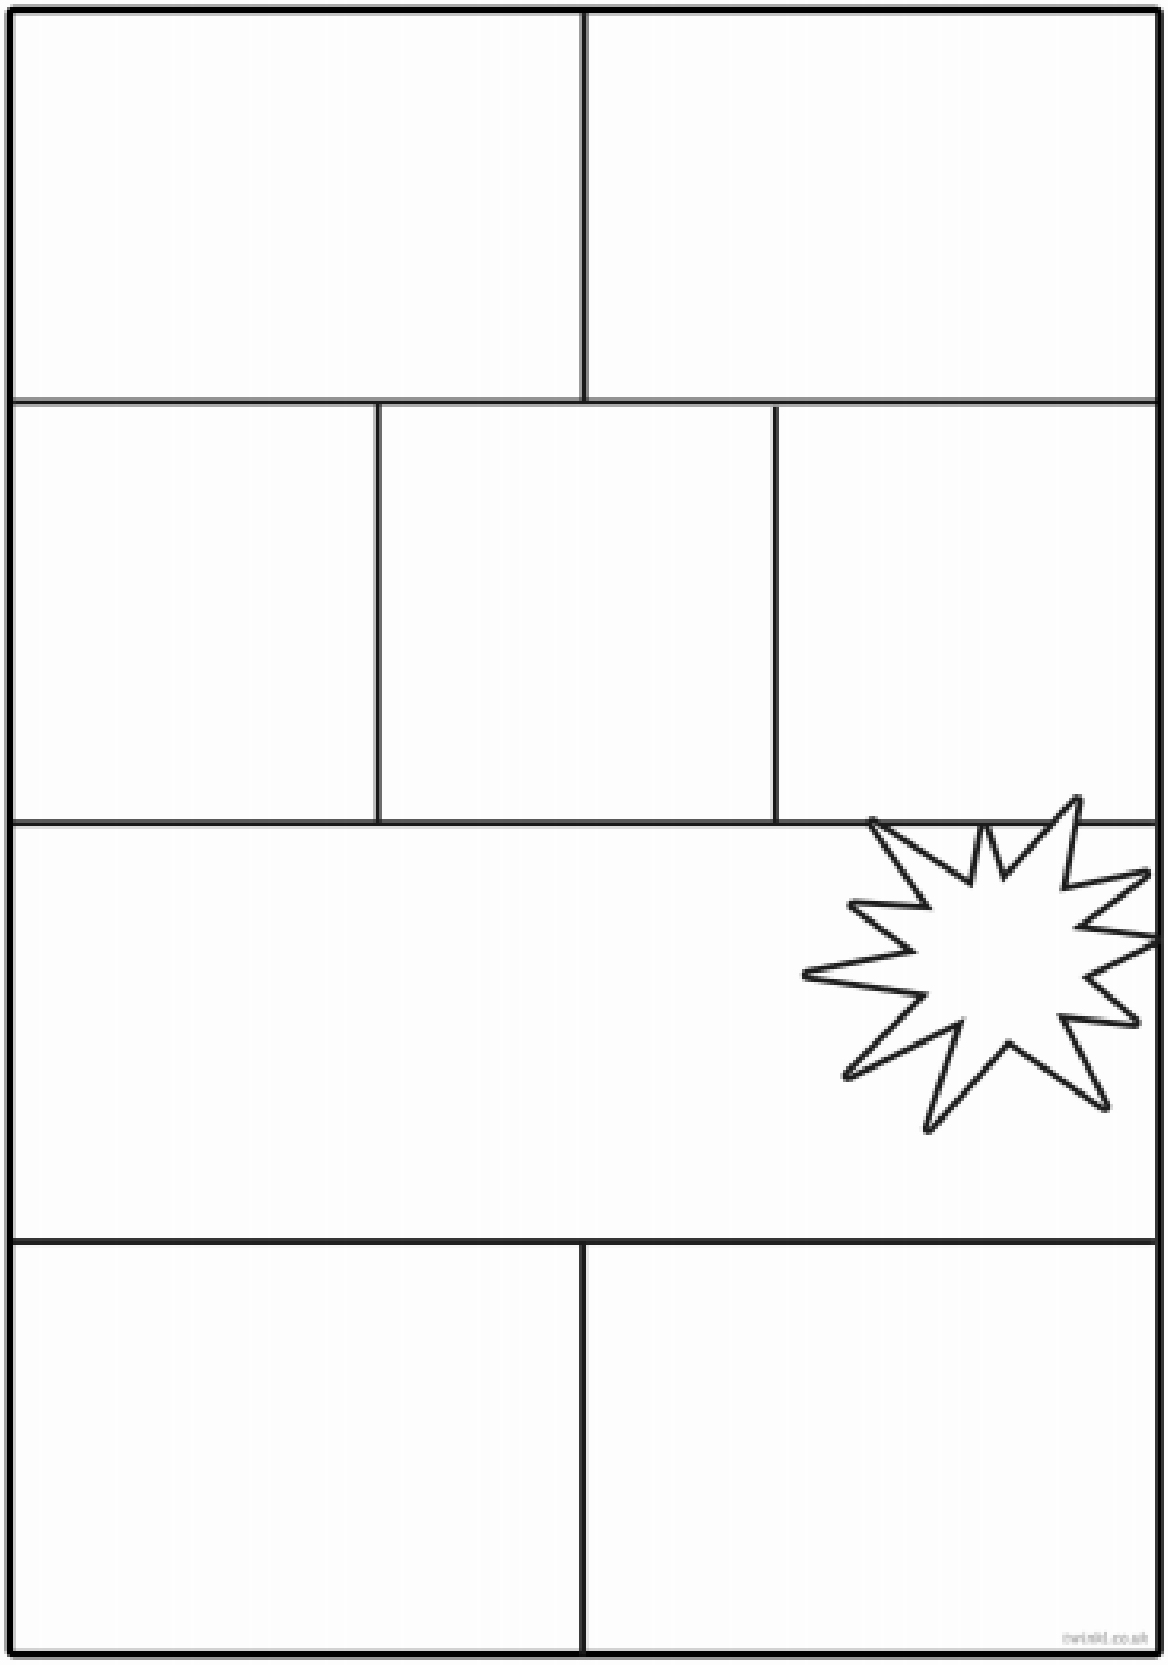
Nature is very busy in spring and there are lots of changes. You can see the trees and bushes grow new leaves again in spring and many plants flower, because the air and soil are warmer and there are more daylight hours.

Many more insects can be spotted in spring, including butterflies and bees, which like the flowers.

Which celebrations happen in spring?

Easter is a celebration that happens in spring. It started as a religious festival and now many people celebrate it with Easter chocolate eggs and a game or Easter egg hunt. Easter Sunday always falls between 22nd March and 25th April. It is not on a fixed date each year. Most schools also have a holiday around this time which lasts around 2 weeks.

Task 4 – Create a comic page. Below is page 1 (of 3) from a comic of Little Red Riding Hood. You can choose to create the next 2 pages or choose a story of your own. Remember to make you pictures bright, bold and simple.



Comic Strip

Task 5 – Use the clues below to solve the mystery.

The Mystery of the Easter Egg Eater

Today, the children of Class 2 are enjoying an Easter egg hunt in the park as a special treat! Their teacher, Mrs Bunny, has hidden lots of Easter eggs for them to find. But there is one egg that every child in the class really wants to find... the 'Super-Deluxe Chocolate Dream Egg'! Mrs Bunny has promised that when the Super-Egg is found, it will be shared between all the children.

But when the children find the Super-Egg's hiding place, there is only an empty gold wrapper and some soggy chocolate crumbs... Someone has eaten the Super-Egg and they haven't shared any of it!

As chief detective on the case, it is your job to find out who has eaten the Super-Egg! You have the names and details of all the children in Class 2. There are also four important clues to be discovered.

To crack the case, you will need to solve each clue and check the information with the list of names. Will you be able to find out who the Super-Egg eater is before it's time to go back to school?

Good luck!

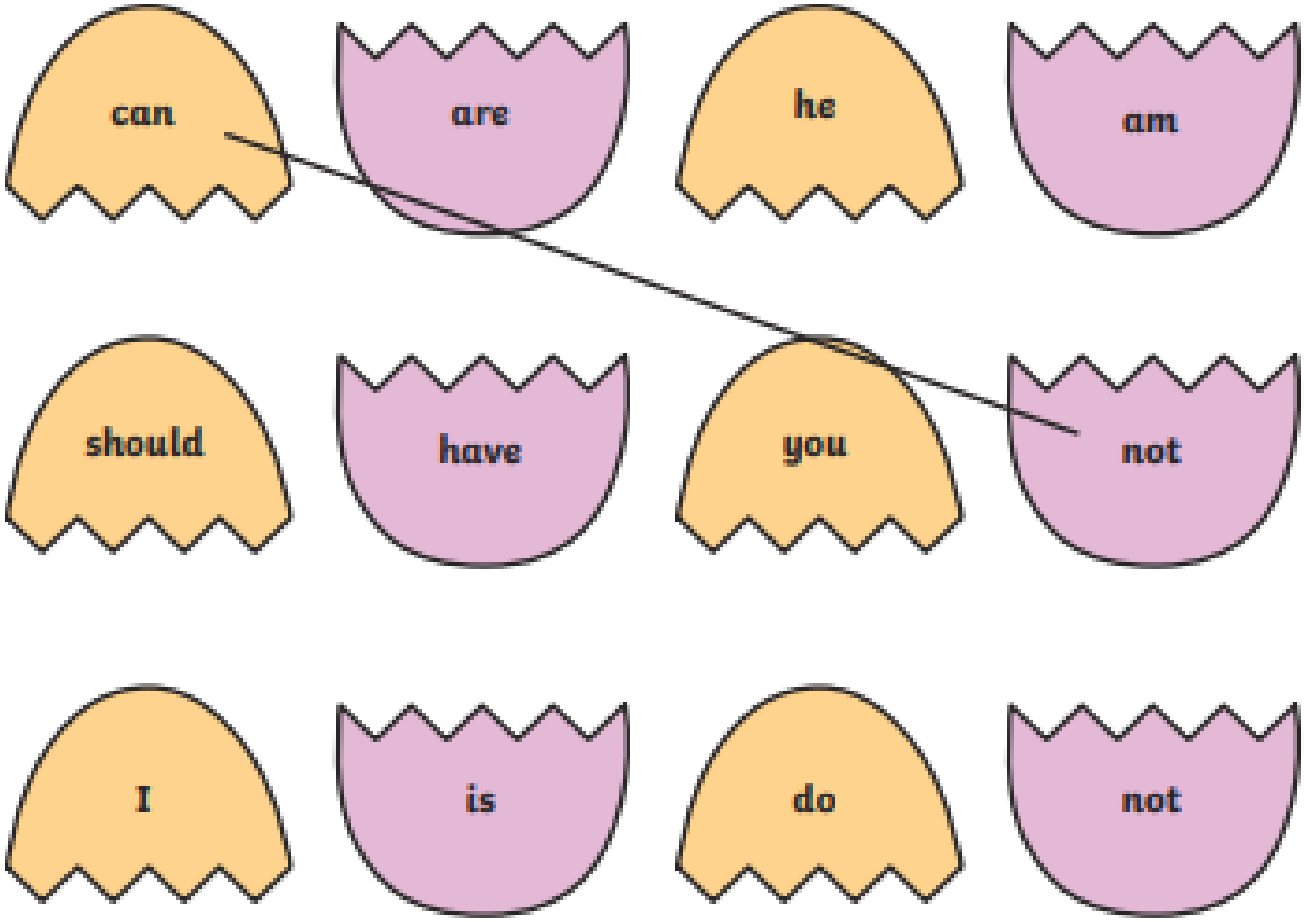
Class 2 Children Descriptions

First Name	Surname	Age	Hair Colour	Eye Colour	Favourite Chocolate
Amelia	Smith	6	Brown	Green	Milk
Harry	O'Kelly	7	Ginger	Blue	Dark
Mariam	Adil	7	Black	Grey	White
Scarlett	Olsen	6	Blonde	Brown	Milk
Mohammed	Usman	6	Brown	Brown	White
Charlie	Rose	6	Brown	Brown	Milk
Chloe	Kinston	7	Brown	Blue	Milk
Jay	Jones	7	Black	Grey	Dark
Zara	Zayan	6	Black	Brown	Milk
Henry	Blossom	6	Brown	Blue	Milk
Aisha	Rehan	6	Black	Grey	Milk
Riley	Wilson	7	Brown	Green	White
Ella	Daniels	6	Blonde	Blue	White
Adnan	Patel	6	Black	Brown	Milk
Evie	Wallace	7	Ginger	Blue	Milk
Callum	Flynn	7	Blond	Brown	Dark
Mia	Royce	7	Brown	Brown	Milk
Lucas	Taylor	6	Brown	Blue	Dark
Destiny	Robinson	6	Brown	Grey	Milk
Ibrahim	Dilek	6	Black	Grey	Dark

The Super-Egg eater is _____

Clue 1: Cracked Contraction Clues

The Super-Egg eater has left lots of broken Easter egg shells lying around the crime scene! Can you match up the shells' words that go together and can form a contraction? One example has been done for you. Match up all the shells and write the contractions below. Count how many completed contractions you have made (including the example) to find out the Super-Egg eater's age.



can't, _____

_____

_____

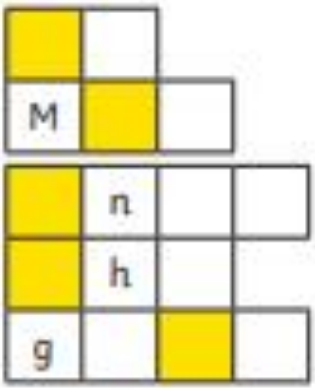
_____

The Super-Egg eater's age is _____.

Clue 2: Correct the Clue!

Under the crumpled wrapper and crumbs, a note has been found. It has been written by the Super-Egg eater! But they are not very good at spelling. Help Mrs Bunny correct the spelling by underlining the words that are spelt incorrectly and writing the correct spellings in the boxes below.

The letters in the highlighted boxes, when placed in the correct order, will spell the colour of the Super-Egg eater's hair.



Dear Class 2,

Bi now you know what I have done! I can't believe I really ate the Super-Egg Missus Bunny was saving for us to share. I onlee meant to have a little nibble but now it's all gon... You will never know hoo I am!!!

The Easter Egg Eater

The Super-Egg eater's hair colour is _____.

Clue 3: Egg Hunt Suffix Sorting

The Super-Egg eater has left some of their favourite chocolate eggs behind! Each egg has a root word on it, and each basket has a suffix. Can you sort the eggs into the correct basket by writing the completed word (root word + suffix) below? Some root words can have more than one suffix. The basket with the most words will tell you the Super-Egg eater's favourite chocolate.

-ly
(milk chocolate)

-less
(white chocolate)

-ness
(dark chocolate)

_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

The Super-Egg eater's favourite chocolate is _____.

Clue 4: Easter Card Word Classes

An Easter card has been discovered at the scene of the crime. The Super-Egg eater must have dropped it as they were eating the egg! There is a poem on the card. Can you count the number of nouns, verbs, adjectives and adverbs used in the poem and write them in the table below? You only need to count each word once. The word class that has been used the most will tell you the eater's eye colour.

Noun (Brown Eyes)	
Verb (Grey Eyes)	
Adverb (Green Eyes)	
Adjective (Blue Eyes)	

The Super-Egg eater's eye colour is _____.

The Mystery of the Easter Egg Eater
Answers
