

## French Topic - Le retour du printemps (The return of spring)

This week, we will revise colour vocabulary. The key to learning vocabulary is to practise for a few minutes each day. The third activity will help you remember the meanings, as you create a piece of art.

**Task 1:** Watch the video by clicking the link below:

Listen and repeat then have a go at the game. Can you make your own sentences by describing objects around you?

**Task 2:** Watch this video of the rainbow song in French. If you're feeling brave enough, have a go at recording yourself sing and send the audio clip to your teacher!
