

Moving on from last week, let's recap colours. Please watch the you tube clip below. Can you guess what the person is saying? Then complete the activity.
https://www.youtube.com/watch?v=dsBcYT_cNRk

If you are unable to print the sheets then please draw a picture, colour it in and label the colours in French. Alternatively, you could use a picture from a magazine or newspaper and label it accordingly.

RHC

What is your favourite colour? Quelle est ta couleur preferee?

My favourite colour is : Ma couleur preferee est...

There is also an optional French word search should you have access to a printer.
