

# SuperTato Pattern Prints

Using your understanding of shape and repeating patterns, can create your own pattern?

If you can, pick potatoes of different sizes so you can talk about large and small designs. If using other veg talk about what size and shape you think that might make e.g. a carrot, a circle – a big circle at the top and a little one if we use the bottom. Find some colours of paint and some paper to print on. Get printing, talking about position, printing in groups, use of colour, shape and how much space between your prints
