

# Treehouse Maths Activities

This week, we will be:

- Counting and recognising numbers
- Counting frogs
- Splatting numbers
- Recognising numbers around us
- Representing numbers
- Finding missing numbers - a froggy challenge!

## Counting and number recognition

I have found a fun online game to help put the numbers 1-15 in order. Watch the caterpillar grow as you add in more numbered parts:

<https://www.tvokids.com/preschool/games/caterpillar-count>

If you didn't manage to try the [caterpillar counting activity](#) from last week, this would work really well alongside it!

How many frogs can you see?

There are \_\_\_\_\_ frogs

## Splat the Number Counting Game

The goal of this simple yet fun game is for children to identify the number on the dice and match it with the ones written on sticky notes before splatting the correct answer with a fly swatter!

Write different numbers (start with 1-6) on post it notes or small pieces of paper.

Put them in front of your child.

Give your child a fly swatter, a spatula or a wooden spoon

# Recognising numbers around us

You could also look at this fun BBC series called 'Counting with Rodd'. Rodd uses rhymes and songs to support counting and number recognition: <https://www.bbc.co.uk/teach/class-clips-video/maths-ks1-counting-with-rodd/zmdk6v4>

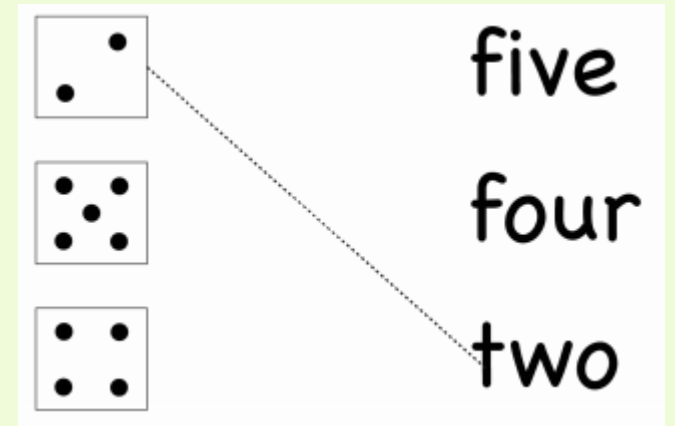

## Representing quantities up to ten

Mrs Fisher has found another online game where you have to search for hidden animals, numbers and words.

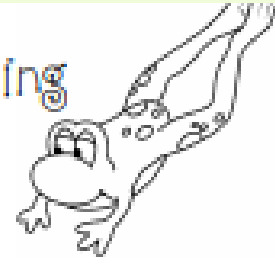

<https://pbskids.org/curiousgeorge/busyday/hideseek/>

Practice your skills on this [counting and matching activity](#). Count the spots on the dice and match the number to the word!

# An extra froggy challenge!

Help the frog fill in the missing numbers on the lily pads!

1	2	<input type="text"/>	4
5	<input type="text"/>	7	<input type="text"/>
9	10	<input type="text"/>	12
<input type="text"/>	14	15	<input type="text"/>
17	18	<input type="text"/>	20

# Treehouse Maths Activities

I'd love to see photos of the work you have been doing this week!
