

Dear Parents

I can't believe that this is Week Five of Distance Learning! I hope that you are all well and making the most of your time together.

This week, we are starting the topic of Minibeasts. I have recorded two stories (Mad About Minibeasts and Superworm) which I hope the children will enjoy, and two videos to accompany the Maths / Reading slides. As with last week, the Maths and Reading videos provide some extra information for you when completing the activities with your children. I hope they are helpful!

Please also take a look at the activities from your child's Year Group as well. Reception and Year One have also uploaded videos and stories which may be of interest.

If you have any questions about the work, things that your child has really enjoyed, your child's progress or even story requests, please email me at treehouse@chipstead.croydon.sch.uk

I'd love to see some photos/videos of the work completed. I am really missing all our children!

Take care

Rachel Fisher xxx
