

PHONICS

week 8

week beginning 1<sup>st</sup> June 2020

Dear Parents/Carers and children,

It's important to keep up with Phonics learning even though we are not at school. Read, Write, Inc lessons are streamed daily at 10.30am and are available on YouTube for 24 hours. These follow the same format as the children are used to in school.

This week we have planned three lessons. They are streamed on Monday, Tuesday and Wednesday but you can choose to use them either live or later in the day or the following day. If you would like to watch the Thursday and Friday lessons they will be available at the same time. Please follow the link below for all the sessions.

If you would like a further challenge, Read, Write, Inc also stream spellings linked to the daily phonics lesson. The live session starts at 10.45 but will also be available for 24 hours. The following slides will guide you through.
