

Decades Discovery!

We thought it would be a nice idea to create a whole school Discovery project for the rest of the term. During this time, we would like you to work with your family to create a timeline of events, both personal and famous. We will give you two decades each week and there will be some independent tasks, but we would also like you to work with others in your family where possible.

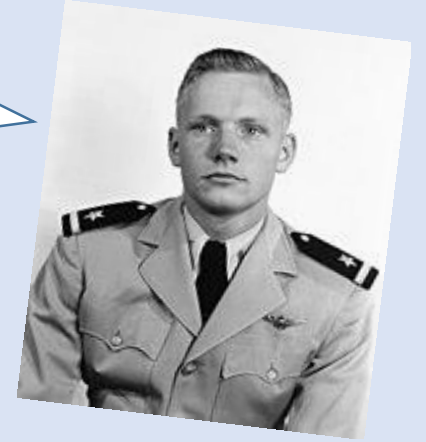

The most important part is to share with your school community the work you have been doing, whether emailing it to your teachers or sharing on twitter @ChipsteadPri

You could create a poster, a slide show or another imaginative way of sharing your learning. As we would love to make a whole school display.

Each week we will be adding to a scavenger hunt; see how many things you can find by the end of the term.

Do you know
who this is?

So we have done the 1930s and 1940s.

Your next decades are the 1950s and 1960s.

We will give you some tasks to complete and ideas but we would really like to see other research that you have done.

Independent Activity Suggestions.

Rosa Parks was very influential during the mid 1950s. She stood up for what she believed. On the following slides there are links to various websites where you can research her life. What do you already know about her life?

1. Imagine that you are a news reporter during that time in 1955. Can you write a newspaper report using the information you have found out, better still can you film yourself as if you are a news reporter on 'CVPS news'.

Have you heard of Rosa Parks?

Take a look at some of the following websites to learn more about her life:

Rosa Parks Timeline

Directions: Cut and paste each event under the correct time.

She died
at the age
of 92.

She refused to
give up her seat
to a white person
and was arrested.

She married
Raymond
Parks.

Black Americans
could sit
anywhere they
wanted to on
the bus.

Rosa
Parks was
born.

2. Watch the following song written about Rosa Parks life.
Can you create your own song or poem about what she did?

3. Can you Create a Fact file about Rosa's life similar to this?

Draw or stick a picture of Rose Parks so you can see her face through the circle. Then decorate the front.

Fold your page in half and cut out a circle.

Write down some facts you have learnt.

Activity Suggestions:

Can you create Top Trump cards for the 1966 World Cup players?

Who was Pickles the dog and what did he find?

1969 is famous for the moon landings, can you create a rocket. If you have outdoor space, have you used Coke and Mentos to make a rocket before?

Create a quiz about the 50s and 60s music and test your family?

What else can you find out about life in the 1950s and 1960s. How can you record your findings?

Jelly moulds were all the rage in the 1950s and 1960s? Can you research some of the recipes and have a go making some.

Why don't you have a go at producing some art in the style of Andy Warhol?

Scavenger Hunt.

Take a photo when you have found something from the list.

- A photo taken in the 1950s.
- Scrabble was popular in the 1950s and 1960s, can you take a picture of you playing it.
- Coulsdon Hardware shop was opened in 1954 can you take a photo of you outside?
- Playdough was invented in the 1960s. Can you make some?
