A trip to the zoo

Yesterday my family went to the zoo to see lots of different exciting animals.

First, we went to the small shop to buy food to give to the animals. It was the smelliest food ever!

Next we went to the nocturnal house, where we saw some birds and reptiles that only come out at night. The reptiles looked bigger than the birds.

Then we went to see the greyest elephants, they were stomping up and down in their enclosure.

Finally we had a little bit of lunch before we started to make our way home. What a fantastic day we had!
