DAY

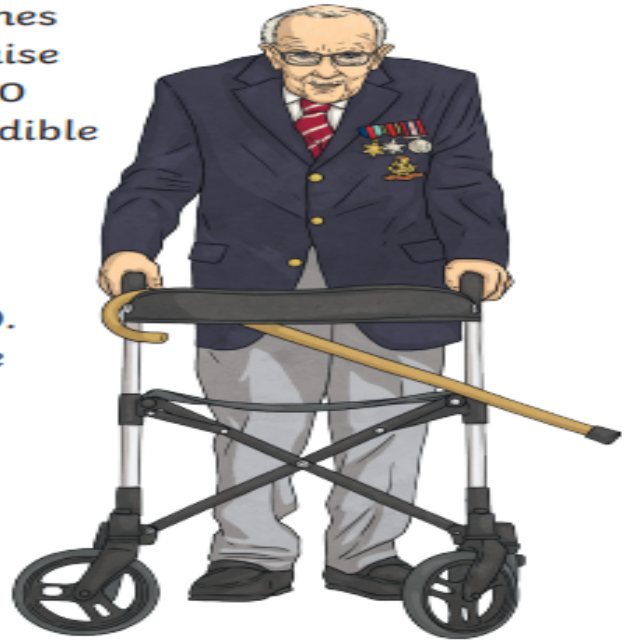
Day 4- Reading Comprehension
Before you read and answer the comprehension please complete pages 14 & 15 of your CGP book.

Captain Tom Moore

Captain Tom Moore is the ex-soldier who made headlines around the world in April 2020, when he set out to raise money for the National Health Service, by walking 100 laps around his garden. Not only did he raise an incredible amount of money, but he also broke several world records at the same time.



Who is Captain Tom Moore?

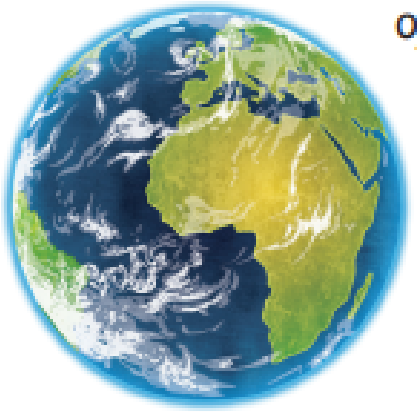
Captain Tom was born in Yorkshire on 30th April 1920. He was a soldier in the British Army and served in the Second World War. He currently lives in Bedfordshire with one of his two daughters and her family.

Captain Tom saw the hard work the hospital staff were doing, when he watched the news during the COVID-19 crisis. Because of this and because he had been well looked after in hospital himself, he decided that he wanted to do something to raise money for the National Health Service (NHS).

Why 100?

Why 100?

Captain Tom began his challenge as a 99 year old. He decided to walk 100 laps of his garden (10 each day), leading up to his 100th birthday, which was on 30th April 2020. He set himself a target of £1000, which he reached in a day. Captain Tom completed his laps with the aid of a walking frame.



By the time he finished the 100 laps, he had raised over 27 million pounds!

Breaking Records

With his story shared around the world, more and more people donated money and Captain Tom broke several records during his fundraising efforts.

He has raised more money from a charity walk than any other single person. He released a charity song, which became the highest selling single of 2020. Six days before his 100th birthday, his single went to number 1 in the charts. He is the oldest person ever to have a number one single.

Did You Know...?

Captain Tom completed his 100 laps two weeks before his birthday, so decided to increase the number of laps he walked to 200.

Over 125,000 people have been inspired by his story and have sent him birthday cards.
