# Feedback: “Do causes need celebrities’ help to be successful?”

“You don’t necessarily need celebrities, as you can make a change without them, however if they do get involved it will make a larger difference as they will reach out to more people. In my opinion it is better if celebrities get involved.”

Beam County Primary School

“I say no because its not only celebrities that can inspire people to donate money, for example my mum is not a celebrity and I am pretty sure she would probably convince like 20 people to donate to a charity, so that just proves that anyone can inspire people to do anything..”

Royal Alexandra and Albert School

“People tend to be inspired by the celebrities.”
