Dear Prospective Parents and Carers

Thank you so much for your interest in Chipstead Valley Primary School and Nursery.

Selecting the right school for your child is an extremely important decision and we are delighted that you are considering us as one of your choices. We know that starting Nursery and Reception are big steps in any young child's life and we work hard to make the transition for your family, as smooth as possible.

At this point in the year, we usually arrange open mornings, which include a presentation, a school tour and the opportunity to speak with myself, the leadership team and our admissions team. However, due to the current social distancing measures in place, the school is unfortunately unable to arrange this. Therefore, in the interest of providing you with as much information and support as we can, in order to help you make your decision, we have put together a prospective parent pack, comprising of:

- [a video tour of the school](#);
- the school prospectus;
- a powerpoint of information;
- admissions information.

If after reading and viewing this information you have additional questions you would like to ask, please do not hesitate to get in touch with us via our admissions team at admissions@chipstead.croydon.sch.uk.

Kind regards

Clare Rackham
