

Maths Links: The children will be continuing to work on their fluency skills. In addition to this, they will be learning about decimals, measurement in money and time, statistics and shape.

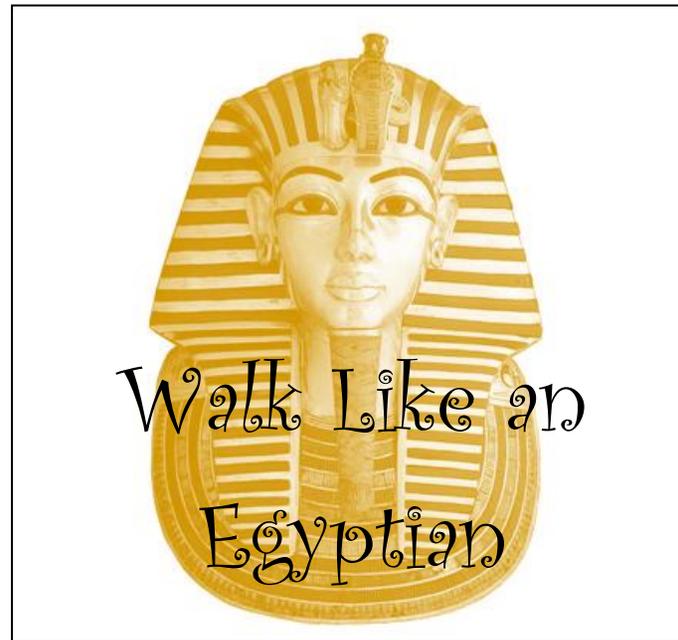

English links: They will be writing their own story and newspaper reports based on, The Egyptian Cinderella. They will also write a non chronological report on the digestive system using the Digiverse.

Science
The children will be investigating different aspects of living things and their habitats. They will explore and use classification keys to understand and identify living things within their local environment. They will also be learning about the digestive system through their English writing.

Art: We will be looking at the artist Picasso and creating our own portraits. The focus will be on use of colour, composition and perspective. We will also be creating some large collaborative work for the gallery!

DT: The children will be mummifying a sardine and will be designing a group Sarcophagus. They will then write a set of instructions on how they carried out this activity. They will focus on hygiene and safety with their tools.

History / Geography: The children will be using atlases to locate Egypt and will be learning about the physical features of the landscape. They will begin to explore the different Pharaoh's and Kings that are important in Egyptian history. In addition to this, they will be exploring how the Ancient Egyptians lived.

Computing: In our computing lessons, the children will be learning the importance of staying safe online and using Scratch software. We will also make use of the new immersion suite!

PE: The children will be focussing on the dance curriculum. They will be creating a sequence of movements.

The Well-being curriculum:
The children will begin to look at the importance of being healthy the different things that help their bodies to be healthy, including food and drink, physical activity, sleep and rest.
They will also be taking part in numeracy debates linking to our 'Votes for Schools assemblies.'

Music: Mr Vinten will be teaching the children to read, write and perform their own musical compositions.

MFL / global links: In Spanish, the children will be focussing on expressing how they may be feeling and jungle animals.

RE:
This term, the children will be exploring Christianity including the early life of Jesus and his teachings.
