

### Maths links:

Children will continue to develop their mathematical skills with the focus being on these topics:

-Multiplication, Division, Money and Statistics

### English links:

This half term, we will be looking at the text *Escape from Pompeii*. Linking to our topic, the children will be learning about Pompeii and Mount Vesuvius. They will re-enact the story and will then retell the story with a historical setting.

**Science:** We will be starting to look at plants, with a focus on these 'big' learning questions:

- What are the different ways that seeds disperse?
- What colour flowers do pollinating insects prefer?
- How do growing conditions affect seed germination?
- What happens to celery when it is left in a glass of coloured water?
- Can you identify all the parts of a flowering plant?

### Geography:

This theme will cover areas including earthquake, mountains and volcanoes.

- Describe and show an understanding of earthquakes linking to the key places studied
- Understand and label the different parts of a volcano.
- Recognise the different types of volcanoes.
- Explain and describe the different states of volcanoes.
- Describe and understand the layers of a volcano and the causes of eruption.

## Year 3

### Earth Wind and Fire

### PHSE / Values:

Children will be looking at how we look after living things and the effects this has on our environment.

### Computing:

As well as the children's use of Microsoft Teams, children will also be using technology to complete research across various areas of their learning.

### MFL /

### International:

In Spanish this term, we will be looking at animals.

**Art/DT: Sketch:** To sketch parts of a volcano using different pencil techniques. To produce their own image of a volcano using a variety of art medium and to appreciate our own work and that of others.

### Dance:

This term children will be doing dance. Children will be focusing on creating, adapting and linking a range of dance actions.

### Music:

This Term, children will be having weekly lessons with Mr Vinten as well as our weekly music appreciation lessons.

### RE:

We will look at caring for our world.

Why should we care about our world?

How do different faiths care for our world?

We will look at Hinduism, Christianity and Judaism.
