

Math links:

We will continue with shape and then move on to fractions. In class, we will also continue to practise times tables and mental maths.

English links:

We will be writing a non-chronological report linked to Geography and climate change. Instructional writing will be linked to our discovery/history topic.

Science: Our Science topics this term will be:

‘Compare and group together different kinds of rocks on the basis of their appearance and simple physical properties

Describe in simple terms how fossils are formed when things that have lived are trapped within rock

Recognise that soils are made from rocks and organic matter.

Stones and Bones

Year 3 Summer 1 2022

PHSE / Values: We are learning about what keeping healthy means; different ways to keep healthy.

Music: Singing and musical composition with Mr Vinten based on our Discovery topic.

ART/DT: This term, children will be creating interesting pieces of art work inspired by cave paintings.

MFL / global links:

Spanish: Activities and vocabulary acquisition based on the Hungry Giant story.

History / Geography:

Humanities

This theme will cover areas including the Palaeolithic Age, the Mesolithic Age and the Neolithic Age.

Key questions include:

What tools did they make and use?

What main developments occurred during the three time periods?

How did humans have to adapt to changing environments?

What was a typical diet?

Where is Skara Brae and what happened to it?

What were the main developments in the Bronze Age?

Computing:

Children to identify what an algorithm is. Describe a daily activity as an algorithm i.e. a journey to school. Evidence: Flow chart

PE:

Year 3 will be starting athletics this term. Throughout the week, they may have additional sessions so we ask that their trainers stay in school from Monday to Friday.
