

'Topic at a Glance' 'Reception'

Medium Term Planning Summer 2: 06.06.22 – 22.07.22

Dinosaurs

We have dived feet first into our Dinosaur topic, with exciting video footage of a special T-Rex visitor! This has inspired us to look for dinosaur clues in the environment. The Jurassic park role play areas have sparked the children's imagination along with our small world area. We will be learning about the different types of dinosaurs and their characteristics. The final outcome of the topic will be producing a fact file about our favourite dinosaurs. We will be using the story 'Tyrannosaurus Drip' and non-fiction texts.

Key Dates:

Sports Day Wednesday 22nd June

Hobbledown Trip Tuesday 12th July

Our Wonderful World

Under the Sea

Travelling into depths of the ocean, we will use the text 'Clean Up' to focus on the environmental challenges in modern seas. We will use recycled material to create a unique piece of art. We will be reading 'The Rainbow Fish' to bring together the theme of friendship and the wonders of the ocean!

Mission Transition

We will be preparing the children for their transition to Year 1 using the text 'The Mega Magic Teacher Swap'. We will talk about the changes that are ahead of us, including a new teacher, classroom, routines and structures, in preparation for the children's move to Key Stage 1.

Africa

We will immerse ourselves into African culture, exploring colour, pattern, music and food. We will be using the text 'Giraffes Can't Dance' along with non-fiction texts and photographs of African animals and cultural life.

Key Texts:
