

**Maths:**

During maths lessons, the children will continue to look at statistics and measures. The children will be taking part in a number of investigations. The idea behind these investigations is to consolidate the learning that has previously been taught. In addition to this, the children will be recapping certain topics to prepare them for Year 3.

**English:**

During our English lessons, the children will be creating a fact file about an ocean explorer. They will carry out research in the Digiverse and on chrome books. In addition to this, they will look at poetry based on creatures under the sea.

**History:**

The children will be looking at a famous ocean explorer linking to our topic. They will write a fact file all about Christopher Columbus.

**Computing:**

The children will be using chrome books and going into the Digiverse to learn and record facts all about the ocean to support their English writing. As part of geography, the children will be using the Digiverse to explore the animals under the sea, linking to the Year 2 production.

**Reminders:**

School trip date: Thursday 14<sup>th</sup> July 2022

Production dates: 5<sup>th</sup>, 6<sup>th</sup> and 7<sup>th</sup> July 2022

Summer Fair: Saturday 18<sup>th</sup> June 2022

KS1 Sports Day: 27<sup>th</sup> June 2022

***What a busy half term!***

**Year 2 - Summer 2****Ocean Explorers****Wellbeing Curriculum:**

As part of our well-being curriculum, we will explore the following questions: What happens when we grow up? How do I manage change in preparation for Year 3?

In addition to this, they will learn about jobs and how they create an income.

**Music:**

The children will be continuing to learn and rehearse songs in preparation for the Year 2 production with Mr Vinten.

**RE:**

This half term, the children will be learning about the faith Judaism through an assembly and they will look at why some things are special to them.

**PE:**

Throughout this term, the children will be introduced to athletics. We will be looking at relays, throwing and jumping as well as obstacle courses. We will be working in our house teams in preparation for sports day!

**Spanish:**

In Spanish, we will be listening to and learning a range of songs that help us to practice and recall counting to ten, colours, the days of the weeks and months of the year.

**Geography:**

In geography, the children will be using and constructing basic symbols in a key and using simple grid references to locate squares on a map. They will also be describing some of the human and physical features associated with an island.
