

Chipstead Valley Nursery– FUN French Club

Bonjour,

I am pleased to offer a unique and proven course delivering French Language Fun Clubs at your nursery. French language is taught in an informal fun way and children are introduced to the language through action songs, storytelling, music and dance.

Learning a foreign language at this early and receptive stage of their development has many benefits for children. The lessons have been proven to increase confidence, listening and verbal skills and improve concentration. Weekly email is sent to parents so that they can practise with their children too.

Places are limited and will be rewarded on a first come first serve basis.

Yours Sincerely,

Jennifer Parsons (Mrs.)
