

**Maths:**

This half term, we will be completing our unit on addition and subtraction. Then, we will be looking at multiplication and division, followed by measurement and capacity.

**English:** At the start of this half term, we will be looking at poetry based on the theme of Autumn before moving on to instruction writing. Then, to end the half term, we will be looking at narrative.

**History:**

We will be continuing to learn about the Romans. The children will learn about key aspects of Roman history including the Colosseum, Gladiators and Julius Caesar.

**Science:**

We will be looking at forces and then moving onto magnets. The children will be able to explain how magnets work and be able to compare everyday materials to see if they attract or repel the magnet.

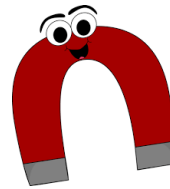

**Geography:**

The children will continue to use maps to locate countries in Europe and identify environmental regions, concentrating on the key physical and human characteristics. We will also describe the land use of settlements in relation to the Romans and the Celts.

**RE:** This term, we will be studying Christianity.

# We are scientists

Year 3 Autumn 2023

**Computing:**

This half term, we will be looking at making our own stop-frame story-based animations using ipads.

**PE:** We will be working on icommunicate from imoves, which focuses on the importance of social interactions and verbal and non-verbal communication. This unit also provides children with opportunities to improve their coordination, strength and balance through passing, receiving, evading and intercepting activities.

**Wellbeing:**

We will be taking in celebrating differences week before moving on to how to resolve conflict and discussing where the children belong in society.

**Music:** For music this half term, we will be continuing our work on recorders whilst practicing for the Christmas Carol Concert.

**ART/DT:** In this half term, the children will complete their mosaics and then make a product to sell at the Winter Bazaar!

**Spanish:** This half term, we are looking at classroom commands and the calendar. We will focus on days of the week and months of the year. Towards Christmas, we will also look at how people celebrate Christmas in Spain.
