## CVPS

### AUTUMN TERM 2

At Chipstead Valley Primary School, our children are at the centre of everything we do. We aim to identify the needs of all pupils as early as possible. This is part of our graduated approach, in which we Assess, Plan, Do, Review. This ongoing cycle ensures that effective provision is put in place and also removes barriers to learning. We have a range of interventions taking place daily in our school to meet the needs of all of our children. We believe in inclusivity for all and strive to make this a reality for all our pupils.

#### REMINDERS

If your child has an EHCP and is due to start high school in Sep 2024, please ensure you have sent your school preferences to your child's case worker.
