

**Math links:** This half term we will be completing our unit of work on multiplication and division. We will begin with mental methods and then move on to formal written methods in multiplication and division. We will be using our times table knowledge for this, so please keep using your TTRS log in at home to practise. We will then move on to money.

**English links:**

For this term, we will be focusing our writing on: 'The Curious Case of the Missing Mammoth'. We will be starting the spring term by writing a non-chronological report on mammoths, where we will be visiting the Digiverse to carry out some research. After this, we will be writing our own newspaper reports on the missing mammoth.

**Science:** We will be completing our work on magnets and moving on to identifying that animals including humans need the right type of nutrition. We will also be looking at humans and some animals have skeletons and muscles for support, protection and movement.

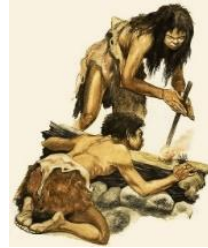

## Through the Ages

Year 3 Spring 1 2024

Trips:

Hindu temple (7.2.24)

Science museum (11.3.24)

**Wellbeing:** We will be learning about how to look after living things and our environment. We will then move on to learning about how to keep ourselves safe and discussing who keeps us safe.

**Music:** The children will be continuing to learn how to play their recorders.

**ART/DT:** This term, children will be creating interesting pieces of art work inspired by cave paintings.

**RE:** In RE, we are focussing on Hinduism. The question we are considering is: 'How can Brahman be everywhere and in everything?'

**History:**

This term we will cover the Palaeolithic Age, the Mesolithic Age and the Neolithic Age.

Key questions include:

- What tools did they make and use?
- What main developments occurred during the three time periods?
- How did humans have to adapt to changing environments?
- What was a typical diet?
- What were the main developments in the Bronze Age?

**Computing:** This term's unit explores the concept of sequencing in programming through Scratch.

**PE:**

Year 3 will be doing dance this half term with their class teachers. The dance will be linked to our topic, as they will be learning a stone age dance. The children will also have a PE session with Mr Thompson every other week, so please make sure their PE kits and trainers remain in school.

**Spanish:** This term we will be looking at animals, which will include talking about them and describing them.
