

Maths:

In maths we will be working on place value with numbers to 100! The children will also be introduced to new mathematical concepts including fractions, multiplication and division.

English:

In English this term, the children will continue to explore a range of writing styles. This will include writing their own instructions on how to extract a fossil, a recount and a retell of another familiar story.

History:

In History, Year 1 will be learning about Mary Anning. We will cover what she did and why she is such an important person from history. We will use this information to begin sequencing important events from the past in order of when they happened. We will also be comparing old and new things and describing the difference between things in the past and modern day.

After looking at how much of a change Mary Anning made, we will then study a change in our lifetime; the coronation of King Charles.

Art/DT:

In art we will be using a range of malleable media to make a fossil just like one Mary Anning would find.

YEAR 1 HIDDEN HEROES

**PE:**

During PE, Year 1 will be focusing on co-ordination by developing their

Computing:

In computing this term, the children will be learning how to make digital art using computing applications.

RE:

In RE this term, we will be beginning to look at Judaism. Our question is 'Is Shabbat important to Jewish Children?'

Wellbeing Curriculum:

In our wellbeing lessons we will be covering how our actions can affect the environment.

MFL:

The children will be learning Spanish in their MFL lessons this year. The children will start learning how to say their name and identifying animals in Spanish.

Music:

The children will continue to work with Mr Vinten in their music lessons this year. This term the children will be focussing on rhythm and body percussion to create a beat.
