Medium Term Plan - Our Planet
Year 6 Autumn 2

English & Reading
In Reading, we will be finishing our book from Autumn 1, 'The Last Wild' by Pierce Torday before moving on to our next text. We will be using both texts to complete a variety of immersive activities and answer questions related to the text.

In English, we will be writing the following:
- Narrative
- Biography
- Newspaper report

Maths
- Multiplication and division
- Fractions
- Converting units

Science – Evolution and Inheritance

Learning how living things change over time and how characteristics are passed from parents to offspring. We will investigate fossils, adaptations and natural selection, and use this knowledge to explain real-world examples of evolution.

Music -
This term we will be looking at songs that speak the lyrics and messages of songs.

Geography

In Geography this term, we will explore why populations change and how migration affects people and places.

We will investigate where people live around the world, what influences their choices, and how factors such as birth rates, death rates and migration can cause populations to increase or decrease. We will also examine population change in our local area using geographical data.

RE
In RE this term, we will explore Humanism and learn how inspirational people influence the way Humanists live today.

We will investigate how Humanists use reason, evidence and compassion to guide their actions and decisions.

Wellbeing

- Safe relationships – recognise and manage pressure; consent in different situations.
- Online gaming
- Coercive friendships, manipulation and serious organized crime
- Prejudice, discrimination and stereotypes

Computing

In Computing this term, we will learn onto how to create and design web pages. We will explore how websites are structured, use text, images and hyperlinks effectively, and develop our own web pages to communicate information clearly and attractively.

Spanish – Homes and houses
- I can describe a house.
- I can read and understand descriptive sentences.
- I can use adjectives to describe rooms in the house.
- I can understand new nouns and use them to play a game.
- I can create a story.
- I can use prepositions to say where things are.

PE
We will be learning the skills and rules needed to play tag rugby.
In addition to this, Mr Thompson will teach indoor athletics, we will explore a range of coordination, fitness and movement exercises.

Art
The children will be focusing their attentions on the artwork of Basquiat. They will explore his style and use a variety of techniques to explore colour and mixing. Through these series of lessons, children will look at identity and cultural heritage.
