Chipstead Flower Show entries for Year 5

Dear Parents/Carers,

In preparation for this years Chipstead Flower Show, the children have been working hard in school to design their own allotment. Our second entry to the show is a collaborative scented garden.

This week, the children have been working in a team to design their garden ahead of creating them on Friday morning. While we will provide the children with a seed tray per team, soil, gravel and so on, we have asked the children to consider other elements in their design (such as plants or flowers) and source these from home. If you have any scented plants in your garden or flowers (which you do not mind your child bringing cuttings from) please bring into school on Friday. Please could you discuss this with them and let them know.

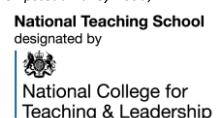

Thank you for your continued support,

Mrs Bennett and Mrs Cherot

Partnership – Achievement – Community - Excellence
